

How do I create an account on SecondStep.org?

Prefer a video walkthrough? Click here: [How to Create a Second Step® Account](#)

When you go to [SecondStep.org](#), you'll see two buttons, "Go to My Dashboard" (once you have an account) and "Create Account." Select **Create Account**.

Next, enter your email address and click **Continue**.

A screenshot of the 'Create Account' form on the Second Step website. At the top, it says 'Create Account'. Below that is a grey information box with an 'i' icon and the text: 'For security reasons, never enter student email addresses'. Underneath is the 'Email Address' label and a text input field containing 'newsecondsteplogin@gmail.com'. A blue 'Continue' button is positioned below the input field. At the bottom of the form, there is a link that says 'Already have an account? Log in'.

Now you will create a password of at least 8 characters, enter your first and last name, agree to Second Step's Terms of Use and Privacy Policy, and click the blue **Create Account** button.

Next, we'll send a verification to email to the email address you provided.

Email Verification Needed

To verify your email, follow the instructions we've just sent to:

newsecondsteplogin@gmail.com

Can't find the email?

- Check your spam folder.
- Ask your IT team to ensure emails from support@secondstep.org via SendGrid.me aren't blocked.

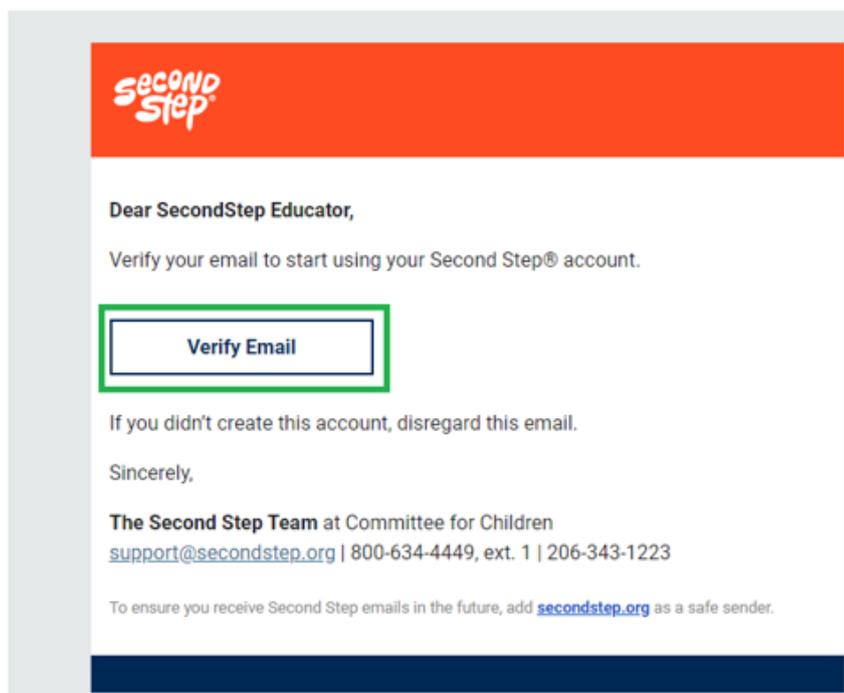

[Log Out](#)

(If you don't receive the email, check your junk/spam folder and double-check that the email address you entered was typed correctly. If these don't resolve the issue, ask your IT team to unblock and safelist emails from support@secondstep.org, @sendgrid.net, and @sendgrid.me.)

Go to your email and find the “Verify your Second Step® account...” email and click the **Verify Email** button.
